MARCH CHILDREN’S PROGRAMS

This month we will be collecting personal care items for C.A.S.T. to distribute. Some ideas are shampoo, conditioner, toothpaste, toothbrushes, floss, mouthwash, soap/bodywash, deodorant, band-aids, antibacterial ointment, cotton balls, shaving cream/razors, nail clippers, personal hygiene and baby products. Please drop them off in the bin located outside the Children’s Room.

KITS:

Do-on-your-own kits: (no Zoom or Facebook. You do these at your own pace). These kits are first-come, first-served.

MARCH 2ND — Science kit — SCIENCE KIT — Chemistry — filling a balloon with carbon dioxide and physics, building a catapult. Most supplies provided.

MARCH 3RD — Women’s History kit. Celebrate four women who have impacted all areas of our lives. Nellie Bly, an American Journalist who paved the way for investigative journalism. Make a “writer’s block” that can help inspire you the next time you need to write! Maria Tallchief, a Prima ballerina who refused to give up her Osage identity. She also founded the ballet school of the Lyric Opera. Design a pair of ballet shoes fit for this “Firebird” dancer. Make a judge’s gavel in honor of Sonia Sotomayor, our first Hispanic and Latina member of the Supreme court. Claudette Colvin, a pioneer of the civil rights movement, refused to give up her seat on a crowded bus when she was only 15 years old.

MARCH 8TH — Sensory kit for ages 1-4. These kits include arts and crafts, games, tools and ideas to help your toddler explore the world and have fun with you!

MARCH 29TH — Dragons and Unicorns! Make your own stuffed dragon or unicorn! The kit includes a birth certificate.

ZOOM PROGRAMS — Email joinprogram@floydmemoriallibrary.org for the link to join. Kits are put out the day before each program.

STORY TIME: Fridays at 4:30 pm on Zoom

MARCH 5TH — Felt Board stories. Retell some classic fairy tales using a felt board. Then make one of your own!

MARCH 12TH — The Night Before St. Patrick’s Day by Natasha Wing

MARCH 19TH — When Spring Comes by Kevin Henkes

MARCH 26TH — The Night Before Easter by Natasha Wing
PROGRAMS:

MARCH 11th at 4:30 pm on Zoom — *Let's Go Fly a Kite* with *A Time for Kids!* Join us to make your very own kite, and then go out a fly it! Activities during the program include music, movement, fine and gross motor development, and storytelling.

MARCH 17th at 4:30 pm on Zoom — *Catch a leprechaun* and put him into your handmade snow globe! Will you get some of his gold?

MARCH 23rd at 4:30 pm on Zoom — *Scrape painting bunnies.* This painting technique will make some spectacular bunnies for spring or Easter! ([https://www.projectswithkids.com/process-art-scrape-painting-bunny/](https://www.projectswithkids.com/process-art-scrape-painting-bunny/))

MARCH 30th at 4:30 pm on Zoom — Celebrate the birthday of one of the world’s greatest artists, Vincent Van Gogh, and the coming of Spring. Retired art teacher Darlene Siracusano will read the book *Camille and the Sunflower* to learn more about the Dutch artist. Then you will learn how to paint like the artist using thickened paint and a spoon. Your kit will include a mini-easel to display your masterpiece.

MARCH 31st at 5:00 pm on Zoom — *Volcanic Eruptions!* Come join *A Time For Kids* in this fun and fast-paced Full Steam Ahead program. With just a few common household materials, we will become scientists conducting an experiment called “Volcano Eruption.” We will be practicing early scientific processes of planning, observation, and investigation as we explore an acid—base reaction that occurs using vinegar and baking soda, causing our volcano to erupt!

APRIL 1st – 8th — *Sorcery or Science? The Magician’s Breakfast* on our new Facebook page ([https://www.facebook.com/Floyd-Memorial-Library-106009548092268/](https://www.facebook.com/Floyd-Memorial-Library-106009548092268/)) Funny and punny magician, Madiri the (maybe-not-so) Magnificent, performs a series of illusions, challenging his young audience to determine whether they are witnessing Sorcery or Science. You will enter Madiri’s world where ordinary eggs bounce and balance, teleport, and appear and disappear. In addition, you will witness flying cereal, mental powers that bend spoons, the conjuring of colorful milk, and a super-strong straw that materializes out of thin air. After the ‘show’, Mary from *Whys Science* shares the science that Madiri knows and uses when performing his tricks with ordinary everyday breakfast items. This fun 40-minute video was designed to appeal to a wide range of elementary school age children and their caregivers.

APRIL 2nd at 11am on Zoom — *International Children’s Book Day.* This is a worldwide celebration to promote literacy and inspire reading to and with young children. It is celebrated on or close to Hans Christian Andersen’s birthday. This year’s theme is “*A Hunger for Words*.”
